

Questionnaire

I write to ask if you (or any concerned others) would consider writing back with responses to the questions below. We will compile responses into a slide-show for the attendees to see during the training and to take home with them and access on their computers. We may take pictures of the letters and scan them in, or we may type up portions and include them. The deadline is June 6th.

1. Would you be interested in submitting materials to train attendees?

a. Would you like your name and contact information included? If so, please indicate in your response. Yes: DERRICK SIMS J20913. @WWW.PRISONINMATES.COM / DERRICK SIMS J20913

b. Would you like a short, (3-4 sentence) biography about you included? If so, please send one similar to the samples enclosed. Yes: CATLIN IF YOU WISH YOU MAY PUT MY BIO BASE ON YOU KNOW ME PERSONALLY. OR REFER THEM TO: PRISONINMATES.COM/DERRICK SIMS J20913

2. This training is aimed to focus on practical skills development for activists, legal workers, and lawyers to understand the nitty gritty methods and best practices for supporting and advocating for people inside prisons.

a. What skills should people work on developing? (For example: correspondence, writing letters to officials, organizing, legislative work, media work, becoming familiar with prisoners' rights, becoming familiar with certain rules or policies, etc.) All the above & these counselors

are NOT real counselors they are CO's with the title CO or CO II BUT have no real interests or social skills, morals. ALSO when any officer PUTS in his/her report "BASED ON MY TRAINING" it's code for THIS IS A FALSE REPORT TO THEIR REVIEWER.

b. We plan to teach participants about basic rights (conditions, medical, staff conduct, etc.) and potential remedies within and external to CDCR. What should participants know about?

Due to so much corruption have patience cdcv will play the victim game. also the region cdcv has secrets & will not disclose ^{because they're criminals}

c. What forms or documents or policies should people be familiar with?

DEPENDS ON THEIR FOCUS I.E. MEDICAL/DISCIPLINE ETC ETC.

d. We plan to teach participants "the nuts and bolts of: confidentiality, correspondence, visits, records requests, and re-entry." What should participants know about these topics?

AGAIN IT DEPENDS ON FOCUS & TOPIC.

e. What common mistakes do activists, legal workers, or attorneys make in trying to support people on the inside? How do you advise that we correct these?

NOT TO WANT COME TO MIND.

f. Why is it important for people to volunteer with programs present at the training - Human Rights Pen Pal Program offering correspondence, California Prison Focus offering legal visits to Corcoran and Pelican Bay SHUs, and the Advocacy Network program advocating for people in solitary (this program may or may not be ready to launch by June). TO EXPOSE OUR CAPTORS TO THE NATION.

3. Other information that should be included in the training?

4. Other comments? THANK YOU & YOUR FAMILIES FOR YOUR SACRIFICES PRAYERS & COURAGE THROUGHOUT OUR STRUGGLE.
