If you need help to read this, ASK STAFF TO HELP.

[Partial text]

You can ask to talk to a Mental Health Counselor when you need help. You can also ask for mental health support if you are feeling depressed, anxious, or have other mental health concerns. If you feel like mining or killing, you should talk to a Mental Health Counselor right away.

You cannot talk about your issues.

If you have any questions or concerns, you can talk to a Mental Health Counselor.

If you feel like mining or killing, you should talk to a Mental Health Counselor right away. You cannot talk about your issues.
