Re: *Armstrong* Advocacy Letter  
CLIENT NAME, CDCR NUMBER

Dear Mr. Mueller:

I write regarding CLIENT NAME, a prisoner at CIW who is designated as DNM. Ms. NAME reports that the walker she has been issued is the wrong size and that as a result she has fallen several times.

Ms. NAME attempted to resolve this problem by filing the enclosed appeal INSERT APPEAL LOG NUMBER, explaining that she has fallen and that her walker is “the wrong size.” She requests that her walker be replaced with a “standard size walker.” The appeal was denied on the grounds that “your current walker was issued to you approximately one year ago and is good working order.” The response does not address Ms. NAME’s claim that the walker issued by the prison is the wrong size, and it does not appear that medical personnel evaluated Ms. NAME to determine whether the walker is the wrong size.

We request that Ms. NAME be evaluated by competent medical personnel to determine whether her walker is the correct size for her, and if it is not, that she be issued a replacement walker that is the appropriate size.

Please provide a report to Plaintiffs’ counsel regarding the status of this matter, including notes from the medical evaluation, and information regarding whether and when Ms. NAME’s walker is being replaced.

Sincerely,

ATTORNEY NAME
