The Sheriff's Office received a public records request. In order to complete the request the chaplaincy department had to provide the following information by Thursday, February 22, 2018. The information is a reflection of both the GEDDF and the SRJ.

i. What religious programs are available in what pods how often and to who, who is excluded and why.

a. Religious services calendars for calendar years 2017

- **Attached**

b. Listing of religious services offered by housing unit for calendar years 2017

All housing units and floors receive:

Jumma and Muslim Prayer Services Fridays and Saturdays weekly. There are also one-on-one opportunities for Muslim inmates. **All**

Buddhist one-on-one conducted, and groups will be available when more inmates request are received in the same classification. **All**

Bible Study (Various Faith) **All**

Mass (HU 3-8, 21-35 only)

2. Please include any exclusions, variations, or access of programming based on classification or housing area (example Ad/Seg does not receive same programming as minimum security) for calendar years 2017

- **SRJ:** Prohibits movement of inmates outside their housing units when classified as **Medium, Maximum, Ad/Seg and Mental Health** based on special handling. The Minimum classification inmates can attend Chapel and Jumma Services out of unit. Sign-up lists are posted weekly and upon their collection, they're submitted to Inmate Services to have Classification complete the keep separate checklist. We have accommodated the Medium and Maximum inmate population by both Chaplaincy and Volunteer group services in the unit dayroom or multipurpose room. Housing Units 1 and 2 cannot participate in group services.

- **GEDDF:** Floors 2, 5, and 6 attend group services. The sign-up lists are posted bi-weekly and collected weekly and screened by classification for keep separates. But the structure is different since the entire facility is maximum. The inmates on Floor 1 are placed in the multipurpose room and the communication

is done through a door slot. However, at times it can be done in the dayroom across the dinning table while they are handcuffed and/or placed in waist restraints the entire time.

The second floor inmates are able to participate in group services; however, the floor is populated with several gang pods (A, B, and E). In addition, the population is divided. Currently, Pods A and B on the Second Floor have been able to attend services together for the past 3 months. Pod C has 3 separate groups due to classification restrictions. Their services are segregated into 3 small groups of no more than 5 at a time. The second floor South-Side Pods A, B, and C receive fewer services due to the classification restrictions and only one side at a time is able to come out for service at the same time. The North-Side of the Second Floor are Protective Custody Pods D and F. Pod E has to have their own service separate from Pod D and F. Both sides receive their sign-up sheets on the wall inside their individual pods.

Please list any caps on maximum participation levels for calendar years 2017

GEDDF: The use of the multipurpose room for religious services is limited to 20 participants due to room size, conveyed from Inmate Service Department.

- iii. Please include listing of special events and areas served during those events for calendar years 2017

Attached

- iv. Please provide a list of current and past literature that is available to inmates by request for calendar year 2017

Bibles (Various Languages), Daily Bread, Qurans, Watchtowers, Inspirational Reading Material, Satanic Bible, Wicca Book, and the Book of Mormon.

- v. Please provide a list of all religious services available for calendar years 2017
