## DAPO POST-RELEASE SERVICES

1. Assist offenders in following through with programming that addresses their criminogenic needs, providing incentives (verbal recognition, travel permits, certificate of achievements) for offenders exhibiting positive or pro-social behaviors such as maintaining sobriety, perfect program attendance, and obtaining employment.
2. Provide offenders with tangible rewards (gas cards, merchant cards, bus tokens, movie passes, and clothing/food vouchers) for exhibiting positive or pro-social behaviors.
3. Monitor compliance of parole conditions and provide operational incentives such as reduced supervision levels or earned discharge.
4. If released with more than 90 days notice, can request Cal-ID application processing with Division of Rehabilitative Programs.
