

Release Timelines and Page Counts As of March 17 2026

This document summarizes the BOP's releases, including page counts, release determinations, and the Bureau's representations since the last filing in which Plaintiff summarized the releases.

The relevant period runs from July 5, 2024, when Plaintiff submitted the FOIA request, through March 17, 2026, the deadline for the most recent court-ordered monthly production. That span is approximately 19.8 months, or 312 responsive pages released a month.

| Category | Total Pages | Percentage of Pages Reviewed |
|--|-------------|------------------------------|
| Total Pages Reviewed | 8,258 | 100% |
| Released in Full | 3,276 | 39.7% |
| Released in Part | 2,672 | 32.4% |
| Released in Whole or Part (Combined) | 5,948 | 72.0% |
| Withheld in Full | 154 | 1.9% |
| Duplicative | 47 | 0.6% |
| BOP Deemed Non-Responsive and Didn't Release | 2,077 | 25.1% |

Plaintiff deemed 49.44% of all the released records non-responsive post release.¹

Release 8 Summary (Aug. 28, 2025): 380 pages concerning Item 11 were located, with 30 pages released in full and 350 in part. An additional 621 pages of emails responsive to Items 1, 8, and 22 were reviewed, with 1 page released in part and 620 pages deemed non-responsive.

Release 9 Summary (Dec. 19, 2025): BOP asserted that 2,021 pages responsive to Items 22 and 24 were released in full and that this release encompassed the required production for September and December 2025.

Release 10 Summary The January 2026 production for Items 6, 7, and 13 occurred in two parts on January 30, 2026 and February 3, 2026 (After the court ordered deadlines). Combined, BOP reports that 1,016 pages were reviewed for these items. Of those pages, 34 were released in full,

¹ Plaintiff deemed the entire releases of 12/20/24 (568 pages of public website), 12/19/25 (2021 pages of public website), 2/26/26 (1000 records from 2023). $568 + 2021 + 1000 = 3,589$.

Release Timelines and Page Counts As of March 17 2026

592 were released in part, 143 were withheld in full, 4 were duplicative, 29 were identified as non-agency records (portions of inmate Presentence Investigation Reports), and 214 were deemed non-responsive. Accordingly, approximately 3.3 percent of reviewed pages were released in full, while over 96 percent of pages were partially released, withheld, or deemed non-responsive.

Release 11 (Feb. 28, 2026) Does not appear responsive. The release consists of housing unit logs from 2023, but without disclosure of the systems searched, custodians queried, search terms used, or date ranges applied, it is unclear how these logs were determined to be responsive to requests concerning the closure of FCI Dublin in 2024.
