Re: Victoria Law v. BOP, Civ No. 3:24-cv-06628-TLT
FOIA Number: 2024-04492 (9th Rolling Release)

Dear Ms. Henry:

This is in response to the above referenced Freedom of Information Act (FOIA) request for records in several categories concerning the Federal Correctional Institution and Satellite Prison Camp in Dublin, California (FCI Dublin).

In response to Items Number 22 and 24 of your request seeking guidance or training records concerning closure and transfer, staff located 2021 pages of responsive records, which were forwarded to this office for a release determination. After careful review, we determined all pages are appropriate for release in full. This release encompasses the required production for the months of September and December 2025.

Sincerely,

Kara Christenson
