Re: Victoria Law v. BOP, Civ No. 3:24-cv-06628-TLT
FOIA Number: 2024-04492 (10th Rolling Release)

Dear Ms. Henry:

This is in response to the above referenced Freedom of Information Act (FOIA) request for records in several categories concerning the Federal Correctional Institution and Satellite Prison Camp in Dublin, California (FCI Dublin).

In partial response to Item Numbers 6, 7 and 13 of your request seeking information regarding inmates' medical status review prior to transfer, grievances related to compassionate release and grievances related to the transfer and closure of FCI Dublin, 507 pages of responsive records have been reviewed for a release determination. After careful review, we determined 24 pages are appropriate for release in full, 314 pages are appropriate for release in part, 70 pages must be withheld in their entirety, 1 page is entirely duplicative, 26 pages are not agency records (inmate Presentence Investigation Reports) and 72 pages are non-responsive (entirely blank pages interspersed through the documents). This release encompasses the first half of the required production for January 2026. Because of other pressing matters and limited resources, the remainder of January 2026's production will be provided to no you later than close of business on February 3, 2026.

Sincerely,

Kara Christenson
